WITH DAN WUORI

educator, author, advocate for early learning

TUESDAY, SEPTEMBER 22, 2026

9:30-11:30 AM

HOTEL COLORADO

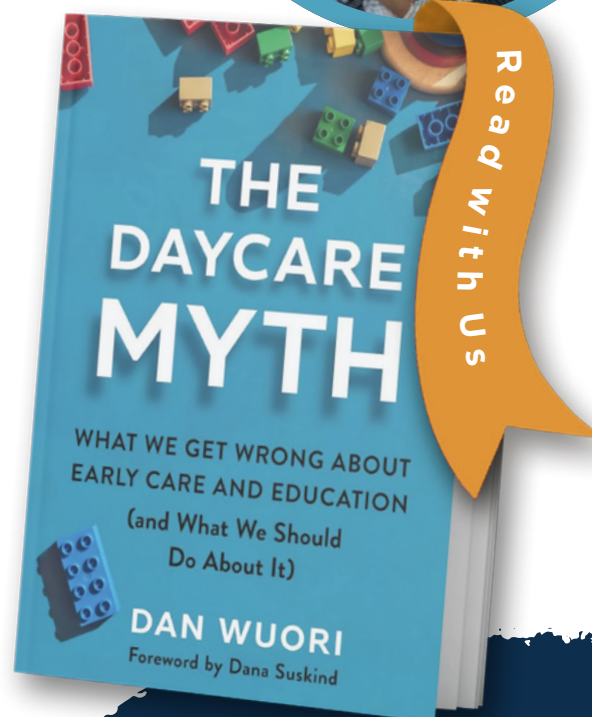

526 Pine St, Glenwood Springs, CO 81601

Light refreshments provided.

A wakeup call for the nation. Dan Wuori exposes the costly gap between what science tells us about early childhood development and what our public policy actually delivers — and makes the case for transforming our early childhood system. Written with a bipartisan lens, the book offers practical guidance for parents, educators, and policymakers alike.

Join us for a discussion with the author to explore what this means for our own communities, from Parachute to Aspen.
